Attention: Union Affiliates

## Vancouver Workers Rising Together!

UNITE HERE Local 40 extends an invitation to our union brothers and sisters to join with us in celebrating British Columbia's unionized hotel, food service and airport service workers.

Local 40 members who work at GM Place (Aramark) are joining with their UNITE HERE brothers and sisters to show their strength, solidarity and pride in the work they do serving patrons and visitors to one of Vancouver's premier entertainment venues. Joining with them are Local 40 members who are kicking off their 2007 contract negotiations with the downtown corporate hotels and members who work at Vancouver International Airport in food service. Please join with us as we celebrate
